LASER DESIGNS

High Definition
Laser Technology
is the Fusion of
photos, art and stone.

Laser Engraving Is Only Available On Premium Jet Black Granite

Capturing Your Treasured Memories With High Clarity

Imagine capturing your loved one's story, gifts and memories with greater clarity and creativity. **HDL** technology allows you to greatly expand your artistic expression in the form of photographic imagery, graphic design, and personal photos. The permanency of granite will provide the inventive canvas to remember their legacy with high

HDL technology allows the life and memories of your loved one to be captured in a permanent image with the greatest visual contrast and detail. This trendsetting process is designed to maximize the beauty of our darkest, most uniform Jet Black granite.

Phillip and Laurretta were destined from the start. Growing up in the small town of Warba, MN where everybody knew everybody, Phil and Laurretta quickly became childhood friends. That friendship evolved into much more and the two were married on Phillip's family farm in May of 1952. They soon took over the farm and spent their days working side by side. The monument chosen by their children depicts a background image of the farm, their farm logo and the children's favorite picture of their
